TUSKEGEE AIRMEN SCHOLARSHIP FOUNDATION

JUNE 2008

MESSAGE FROM THE PRESIDENT

Jerry T. Hodges Jr.
President

Thus far, 2008 has been a very good year.

TASF was approved to participate in the Combined Federal Campaign. It's the largest and most successful workplace giving program in the country. Contributions to TASF from Federal employees will improve our ability to provide additional scholarships to deserving students.

The Board of Directors has embarked on a five year strategic plan that will chart the organization's future and provide bench marks to achieve our objectives. The strategic plan will be completed before year end.

Once again, the Scholarship Selection performed its mission magnificently. Under the direction of Ms. Jacqueline Ray-Morris, Committee Chair, the committee submitted 41 outstanding students for 2008 to the board for final approval.

Our website is state-of-the art. Its user friendly, easy to navigate, and has a wealth of information about TASF, the Tuskegee Airmen, and current information on our scholarship program and recipients.

Your donations and contributions enable us to provide scholarships to deserving students. Contributors are able to make their donations on-line and by mail. Either way, your donations are greatly appreciated.

We continue to move forward. TASF is committed to preserving the legacy of the Tuskegee Airmen.

Jerry T. Hodges Jr.
President
